We will have them printed for our announcer, so you will not need to bring any with you.

Marking & Pre-Performance Time: We will NOT have scheduled marking times for this event. You should arrive downstairs lined up in the hallway to the back Auxiliary Gym at least 10-15 minutes prior to your competition time. You will enter the back of the Auxiliary gym and have a few minutes to run your routine, warm up turns, hit formations, etc. before you move into the other half of the AUX gym (you can bring your own speaker to use in the back Aux Gym if needed but must keep at a low volume as our Aux gym is connected and open to the performance gym). You will then move into the next half of the Aux gym for “in the hole” and then to the hallway between the AUX and MAIN gyms for “on deck” / in the chute.

Coaches Table & Chairs: There will be 3 chairs set up at each of the coaches' tables and 10 chairs on both sides for additional coaches, dancers, managers, etc. We will also have the front row of bleachers reserved for your team to use as well to watch performances. Coaches will need to give a thumbs up for the signal to go with music. There will be at least one chair per side reserved for team photographers/videographers on the floor, and we will have an area designated up on the track for coaches/managers/team video area as well.

Music: Sound will be provided by Perkins Media. Please upload your music by this Saturday, **JANUARY 18th**. Click this link for directions to upload your music. You must complete a separate form for EACH routine you are competing/performing.

Please be sure to have a backup of your music (CD, phone or other device) available and with you when you arrive to the coaches table at the time of your performance.

Schedule of the Day and Performance Times: All performance times are APPROXIMATE and could move ahead if time allows, but we will try to keep the scheduled breaks so that divisions will start at the scheduled times (i.e. if we move ahead in Jazz, we will take the lunch break and not start AAA Kick until the scheduled start time). Please make sure you are ready and downstairs at least 10-15 minutes prior to your estimated performance time.

Competition Updates: Please join our Competition Day BAND group for important updates during the competition:

Trainer: The trainer will be on-site by 9:00 AM and they will be located inside the main gym. There is a door to access from the hallway if needed so that you do not need to enter the competition floor.

National Anthem: Teams will not need to line up and participate in the National Anthem, but the first 3 AAA teams in order of performance should be lined up in the chute and Auxiliary gym ready to go by 9:45 AM.

Coaches Room: Our coaches' room is centrally located in our Media Center, and will have an assortment of food and beverages offered throughout the entire day for coaches to enjoy. There will not be a coaches meeting, as all of the details and information needed will have been provided.

Senior Recognition: Once all teams have entered the Main Gym for awards we will ask coaches to come forward to the awards table area and collect gifts that we will provide to you, to be given to your Seniors. We will call each team and Senior by name, and we ask that the Head Coach or selected coaches (you decide) present them to your Seniors as we acknowledge and announce them. Please have your Seniors remain up front for photo opportunities before returning back to your lines.

Awards: There will not be an organized processional for awards. All teams should be ready in the Auxiliary Gym to enter the main gym 10-15 minutes after the final performance. All teams will enter the gym and stand in a vertical line facing the direction you competed. Senior Recognition will happen before final placement awards are announced.
